## General Description

---

The Division of Continuing Education and Workforce Development (CEWD) at Hostos Community College of The City University of New York is seeking an experienced English as a Second Language (ESL) instructor to provide workforce development training as part of a Title II Workforce Innovation and Opportunities Act (WIOA) grant for integrated English literacy and civics education (IELCE). The Division of Continuing Education and Workforce Development provides vocational and academic training and support to educationally and economically disadvantaged adults in the south Bronx.

## Other Duties

---

- Co-develop a curriculum based on the I-BEST model with co-teachers for Community Health Worker and Clinical Medical Assistant training
- Develop lesson plans and deliver instruction following this I-BEST curriculum and design
- Integrate and deliver CEWD Introduction to Healthcare Seminars
- Implement effective classroom management techniques
- Assess student learning objectives through classwork/homework, quizzes, and project-based assignments
- Meet regularly with co-teachers to assess the progress of each participant
- Review instructional content, methods, and student evaluations to assess strengths and weaknesses and develop recommendations for course revision and development
- Share innovative ideas to improve the program
- Performs related duties as assigned

## Qualifications

---

- Bachelor's degree required; Master's degree preferred
- Three to five years' experience in teaching diverse student populations, especially non-traditional students in college/adult education contexts
- Strong experience in curriculum design
- Experience in the integration of technology in the classroom and using technology-based instruction to enhance student performance
- Strong knowledge of communicative teaching practices
- Ability to motivate students and communicate effectively
- Ability to effectively document student progress and make instructional decisions based on this data
- Flexibility in dealing with curricular changes based on evolution of I-BEST curriculum
- Must be responsible, creative, motivated, patient, and friendly
