## General Description

---

The Prisoner Reentry Institute (PRI) of John Jay College of Criminal Justice is seeking a full-time Program Associate to provide support to our community-based college access work. College Initiative (CI), a program designed to increase access to higher education for people with criminal justice involvement, has supported over a thousand students to enroll in college and over 300 students earn degrees. The primary role of the Program Associate is to manage the day-to-day functioning of College Initiative to ensure the efficient operations of our work. Additionally, the Program Associate will support the Director of College Access.

The ideal candidate will have good project management and organizational skills, combining attention to detail with productivity.

### About the Prisoner Reentry Institute

The Prisoner Reentry Institute (PRI) is a center of research and action at the John Jay College of Criminal Justice. PRI has a diverse portfolio of projects that focus on identifying what it takes for people to live successfully in the community after justice involvement and on increasing the effectiveness of the professionals and systems working with them. Capitalizing on its position within a large public university and recognizing the transformational power of education, PRI focuses much of its work on increasing access to higher education for people with criminal histories. PRI's comprehensive and strategic approach includes direct service, research, technical assistance, and policy advocacy.
