General Description

The John Jay College Institute for Justice and Opportunity seeks a full-time Career Counselor to provide programmatic assessments and support of students participating in Institute-wide services. The Career Counselor will assist students in all of the programs throughout the Institute including but not limited to students in the Navigator Course, College Initiative, Fellowships, as well as alumni.

ABOUT THE INSTITUTE:

As a champion of institutional, structural, and personal transformation, the John Jay College Institute for Justice and Opportunity (The Institute) opens doors and eliminates barriers to success for people who have been involved in the criminal legal system. The Institute is one of twelve research entities that collectively comprise the Research Consortium of the John Jay College of Criminal Justice. The Institute has a diverse portfolio of projects that focus on identifying what it takes for people to live successfully in the community after justice involvement and on increasing the effectiveness of the professionals and systems working with them. Recognizing the transformational power of education, the Institute focuses much of its work on increasing access to higher education for people with criminal histories. The Institute's comprehensive and strategic approach includes direct service, research, and technical assistance.
