General Description

Queens College is seeking an Assistant Athletic Trainer. This is a full-time benefit position reporting to the Director of Sports Medicine, who serves under the Student Athlete Performance area in the Department of Athletics and Recreation.

The successful candidate may attend national and conference meetings; and performing other duties assigned by the Director of Sports Medicine.

Applications are currently being accepted and interviews will begin immediately. Submit a Cover letter, resume of professional accomplishments and experience and three professional references.

The Queens College department of athletics offers varsity, intramural and recreational athletic opportunities to members of its campus community. The college sponsors 19 varsity sports at the NCAA Division II level, with the QC Knights competing predominantly in the East Coast Conference. Queens College's department of athletics encourages all student-athletes to complete a meaningful academic degree program, participate fully in the college community and prepare for life after college athletics. For more information on athletics, please visit www.queensknights.com.

Located on a beautiful, 77-acre campus in Flushing, Queens College of the City University of New York enjoys a national reputation for its liberal arts and sciences and pre-professional programs. Each year Queens College has been cited by the Princeton Review as one of the nation's 100 "Best Value" colleges, thanks to its outstanding academics, generous financial aid packages, and relatively low costs. For more information on Queens College contact us as www.qc.cuny.edu. Queens College is an Equal Opportunity/Affirmative Action Employer with a strong institutional commitment to the achievement of excellence and diversity among its faculty and staff.

Other Duties

Duties include, but are not limited to:

- general healthcare assistance to 275 intercollegiate student-athletes (injury evaluations, referrals, rehabilitative treatments)
- provide necessary practice and game coverage for all intercollegiate teams (including travel, late nights, early mornings, weekends, holidays and during inclement weather)
- assist in summer camp coverage
- assist with monitoring and maintenance of the athletic training room

Physical Demands:

The individual must have the mobility to do the following activities: running, walking, sitting, climbing, balancing, kneeling, crouching or crawling. Candidates must have the ability to lift and/or move heavy items weighing up to 50 pounds on a frequent basis with or without assistance.

Qualifications

Qualified applicants must have a minimum of a Bachelor's Degree (Master's preferred). BOC certification, New York State Licensure (prior to start of employment), current Professional Rescuer CPR/AED/First Aid certification, a valid driver's license, working knowledge of and adherence of NCAA rules and regulations, ability to effectively communicate with and relate to student-athletes, coaches, athletic staff and the ability to use relevant computer software.
