General Description

MISSION

Children need to spend their most critical years with dedicated, educated, trained, and well-compensated individuals in order to thrive. The New York Early Childhood Professional Development Institute leads the work to establish and implement an early childhood workforce system to ensure funding, standards and competencies, career development resources, qualifications and credentials, professional development (training and strengths-based coaching), and program quality assurance and improvement for individuals who work with young children throughout New York. Housed at the City University of New York, the Institute is a fast-paced, dynamic public/private partnership that is committed to the early childhood workforce across New York State.

GENERAL DESCRIPTION

QUALITYstarsNY is New York State's voluntary 5-Star early childhood quality rating and improvement system. Since its inception, QUALITYstarsNY has focused its evidence-based practices to ensure that young children in participating programs have access to excellence and families can trust the level of quality in the program they choose. Assessment, coaching, professional development, and a wide range of resources are made available to each site, enabling QUALITYstarsNY to support early childhood programs to earn higher star ratings.

The Quality Improvement (QI) Specialist is responsible for providing key support in the implementation of QUALITYstarsNY. The QI Specialist is assigned a caseload of participating programs to provide ongoing technical assistance and resources to as part of continuous quality improvement. The QI Specialist works in partnership with the leadership of participating programs to effectively use data to create and implement an individualized Quality Improvement Plan (QIP). The QI Specialist works in their assigned region(s), visiting participating program sites to support their continuous QIP. The central office provides each QI Specialist with the equipment needed to manage extensive record keeping and filing timely reports. QI Specialists also participate in regular virtual meetings and on-site meetings as needed. The Director of Quality Improvement and Regional Quality Improvement Coordinator supervise the QI Specialist. The QI Specialist collaborates with
