## General Description

---

Children need to spend their most critical years with dedicated, educated, trained, and well-compensated individuals in order to thrive. The New York Early Childhood Professional Development Institute (PDI) leads the work to establish and implement an early childhood workforce system to ensure funding, standards and competencies, career development resources, qualifications and credentials, professional development (training and strengths-based coaching), and program quality assurance and improvement for individuals who work with young children throughout New York. Housed at the City University of New York, the Institute is a fast-paced, dynamic public/private partnership that is committed to the early childhood workforce across New York State.

QUALITYstarsNY is New York State's Quality Rating and Improvement System for early childhood education programs in all regulated settings. QUALITYstarsNY exists because early childhood educators across the state deserve support to engage in continuous quality improvement. QUALITYstarsNY provides individualized, comprehensive support to hundreds of early childhood programs across New York State and continues to expand participation. Programs participating in QUALITYstarsNY are rated on a 5-Star scale every three years and are supported with a full complement of resources to improve and sustain their quality – all at no cost to their program.

### GENERAL DESCRIPTION

The Communications Associate will support the development and implementation of communications and marketing strategies for QUALITYstarsNY. The Communications Associate will contribute to the creation and distribution of compelling and visually engaging print and digital materials for a range of stakeholders and audiences.
